***Welcome to the world of consigning with Twice As Nice!***

Our consignment period is 60 days and you will receive 50% of the selling price for all items sold. All inventory is entered into our computer system and the sales are posted daily. There is a \$5 processing fee subtracted from the total sales' proceeds check at the end of the consignment period.

Merchandise selection is based on quality, demand and current inventory. Please do not be offended if we do not accept some items, as we are familiar with what our customers are buying. We will evaluate each item carefully and tag it with the best possible price which we believe it will sell. We may mark down the original tag price at anytime to coincide with our sales promotions or after a 30 day period.

If you would like to retrieve any unsold items, this needs to be scheduled with shop at time of consignment. If you miss your scheduled pickup date/time, all unsold items become the property of Twice As Nice and disposed as we see proper. Furniture can be consigned for a little longer period and is handled on a case by case basis.

- We will do our BEST to safeguard your merchandise but we cannot be responsible for missing or damaged items.
- Itemized list is available upon request.
- Checks can be picked up after your 60-day consignment period ends, but this *must be scheduled - Call Phone 236-2362 if you are not sure of the pickup date.*

In-Store trading is available if you have an account balance. Please know that we want you to be successful and make a profit, and we work toward that goal...for you and for us.

I understand and agree to the terms of this agreement:
